ABOUT DARK PRINCE

He came to her in the night, a predator -- strength and power chiseled his features. The seduction was deep and elemental; he affected her soul. His need. His darkness. His terrible haunting loneliness. Her senses aroused, she craved the dangerous force of his body. Burned for him. And he had only touched her with his mind.

She came to him at dawn, his bleakest hour. As the beast raged inside him, threatening to consume him, he vented his centuries-old despair in an anguished cry that filled the waning night. And she answered, a ray of light, piercing his darkness. A beautiful angel. Her compassion, courage, and innocence awakened in him an exquisite longing and tenderness. He knew he must possess her, for only she could tame his savage side and lift the dark shadow from his soul. Apart they were desolate, bereft. Intertwined physically and spiritually, they could heal one another and experience an eternity of nights filled with love.

ABOUT DARK DESIRE

The stranger silently summoned her across the continents, across the seas. He whispered of eternal torment, of endless hunger . . . of dark, dangerous desires. And somehow American surgeon Shea O'Halloran could feel his anguish, sense his haunting aloneness, and she ached to heal him, to heal herself.

Drawn to the far Carpathian mountains, Shea found a ravaged, raging man, a being like no other. And her soul trembled. For in his burning eyes, his icy heart, she recognized the beloved stranger who'd already become part of her. The imperious Carpathian male had compelled Shea to his side. But was she to be his healer. . . or his prey? His victim . . . or his mate? Was he luring her into madness . . . or would his dark desire make her whole?

With a dark magic all his own, Gregori-the implacable hunter, the legendary healer, the most powerful of Carpathian males-whispered in Savannah's mind that he was her destiny. ABOUT DARK LEGEND

He woke deep within the ground, and the first sensation he felt was hunger. An overwhelming hunger for blood that demanded satisfaction. But as he hunted the dark streets of Paris for prey, a voice called to him, soothing, calming, giving him the strength to control his craving.

Francesca Del Ponce was a healer, a woman who radiated goodness as powerfully as the sun did light. But surely his obsession with her would turn him as his twin brother had turned, leaving the world with two monsters instead of one.

Though he knew she would be like hot silk in his arms, though he knew the taste of her would be addictive, he feared for her life and his soul if he took her. Then with one mind-shattering vow she gave herself - "I offer freely, without reservation, I offer my life for yours as is my right" - and with a firestorm of long-forgotten feelings, he glimpsed salvation.

ABOUT DARK MELODY

Lead guitarist of the Dark Troubadors, Dayan was renowned for his mesmerizing performances. His melodies stilled crowds, beckoned, seduced, tempted. And always, he called to her. His lover. His lifemate. He called to her to complete him. To give him the emotions that had faded from his existence, leaving him an empty shell of growing darkness. Save me. Come to me.

Corinne Wentworth stood at the vortex of a gathering storm. Pursued by the same fanatics who'd murdered her husband, she was risking her life by keeping more than one secret. Fragile, delicate, vulnerable, she had an indomitable faith that made her fiery surrender to Dayan all the more powerful. This was the one woman whose loss would destroy him, even as her love promised to heal his soul.

ABOUT DARK CELEBRATION

After centuries as the Prince of the Carpathians Mikhail Dubrinsky fears he can't protect them for long from their greatest threat: the extinction of their species- a fate that has become the wicked prayer of his enemies. To ensure it, they are devising a scheme to slaughter Carpathian females. But even with his own lifemate, Raven, and their daughter, Savannah, vulnerable to the encroaching evil, Mikhail's hope is not lost...

In this desperate season, Carpathians from around the world are gathering to join their strengths, their souls, and their powers to bring light to the darkness. But so too are their adversaries uniting – hunters, vampires, demons, and betrayers – bringing untold dangers into the fold of the Carpathian people.

Now for the first time, born from the uninhibited imagination of Christine Feehan, all the inhabitants of Carpathian legend are reunited for a celebration of sensual adventure, undying passion, and astonishing fantasy – one to remember for a thousand lifetimes.

ABOUT DARK POSSESSION

Manolito De La Cruz knew he was dangerously close to turning into a vampire. The last thing he expected after being called back to his Carpathian homeland by Prince Mikhail was to catch the scent of his destined lifemate in MaryAnn Delaney. MaryAnn is human, but she knows all too well the overwhelmingly aggressive instincts of Carpathian males. And they're not exactly the kind of men she'd prefer to be bound to for life.

A dedicated counselor for battered women, MaryAnn has a fulfilling life with no room for someone like Manolito, born and bred in the Carpathian Mountains, a law unto himself. But when MaryAnn agrees to go to South America to offer guidance to a brutalized young woman, she's oblivious of the trap that awaits her in the sweltering thick of the jungle. She has been lured there by Manolito himself, who has seductive plans for the unaware, irresistibly human female.

Once there, she will be his. Once his, she will never be released. He is her lover, her predator, her lifemate. She is his dark possession....

ABOUT DARK CURSE

Born into a world of ice, and slave to her evil father, Lara Calladine knew only paralyzing fear as a child—and escaping with her mysterious gifts unbroken would be the only way to survive her great Carpathian heritage as a Dragonseeker. Human, yet mage, she was of the blood of three species yet belonged to none. She walked her chosen path alone, guided by the wisdom of her aunts—to blend in and let no one know of her ancestry and powers. And never trust anyone. For beyond the frozen hell of her youth was a world of even greater mysteries and dangers.

Today Lara is the leading expert in the field of ice cave study around the world and the healing microorganisms that thrive in them. She's also in search of something else: the source of her nightmares—the cold dark corners of her childhood. Only one man has the will and the powers to help her: Nicolas De La Cruz, for whom centuries of hunting and killing have long since taken their toll. Dangerous and arrogant, he still longs to feel sensual love without the hunger for blood. Now, between Lara and Nicolas, a tenuous trust has emerged, and a passion neither has ever known before as a melody of dark promise begins.

But as each scales the treacherous land of the Carpathian in search of their past, they also harbor a secret that could save or destroy them. And as each may be desirous of a new beginning as lifemates, they are also haunted by the unknown dangers of a dark curse.

ABOUT DARK SLAYER

A rumor has persisted in the vampire world of a dark slayer—a woman—who travels with a wolf pack and who destroys any vampire who crosses her path. Mysterious, elusive and seemingly impossible to kill, she is the one hunter who strikes terror into the hearts of the undead.

She is Ivory Malinov. Her only brethren, the wolves. Long ago betrayed by her people, abandoned by her family, and cast out by everyone she held dear, Ivory has lived a century without companionship or love. She has sustained her sanity by the habit of the hunt and the custom of the feeding. Until the night she picks up the scent of a man, her unexpected salvation. Her lifemate. The curse of all Carpathian women.

He is Razvan. Branded a criminal, detested and feared, he is a dragonseeker borne of one of the greatest Carpathian lineages, only to be raised as its most despised—and captive—enemy. Fleeing from his lifetime of imprisonment, Razvan now seeks the dawn to end his terrible existence. Instead he has found his deliverance in the Dark Slayer.

In spirit, in flesh and blood, in love, and in war, Ivory and Razvan are made for each other. For as long as they dare to live.

ABOUT DARK PERIL

Dominic, of the Dragonseeker lineage—one of the most powerful of the Carpathian lines—is desperate to go to the very heart of the enemy camp and learn their plans. There's only one way to do so: ingest the parasitic blood of a vampire. He knows that it is a mission from which there is no return. With little time before the blood takes effect, he'll get the information he needs, relay it to the leader of the Carpathians, and go out fighting. There is no more honorable way to end his life.

Solange Sangria is one of the last of the jaguar people, a royal pureblood, a dying species that cannot recover from bad decisions made over hundreds of years. She has long been alone, fighting to save the remaining shapeshifters from the hands of Brodrick the Terrible: her own father, who slaughtered her family and everyone she loved. Wounded and weary, she plans one last battle, hoping to stop the man who has made an alliance with the vampires, accepting that she will not come out alive.

They are two warriors who have lived their lives alone. Now, at the end of their time, they find each other—an obstacle neither can hope to ignore.

ABOUT DARK PREDATOR

Christine Feehan delivers the most startling novel yet in her "must-read" series (*Night Owl Romance*) as an immortal male comes to the end of a long and violent journey—only to reach a far more dangerous and inescapable threat...

As brutal as the undead he hunted, Zacarias De La Cruz was a master executioner. Over the long, dark centuries, he plunged into so many battles they blurred into an endless lifetime of evil that hardened the soul of this merciless, ruthless and implacable dark predator.

Now his stark and savage journey is over. After a thousand years in a gray world, he has accomplished everything he set out to do. His brothers are safeguarded. Each has found a woman who completes them. And they are at peace. For his brothers, Zacarias has walked the edge of madness, but with centuries as a killing machine now left to the past and without a hunt to define him, Zacarias wonders, for the first time in his life, who he really is.

The answer awaits him back home in Peru, in the betrayal of a woman who is readying her trap, in the vengeance of an old enemy, in the inevitable consequences of a bloody family legacy, and in the deliverance of a lifemate he never could have imagined.

ABOUT DARK STORM

Return to Christine Feehan's "steamy and dreamy" (Publishers Weekly) world of her New York Times bestselling Carpathian novels as roiling passions collide in a perfect storm of dangerous desire that only a precious few can hope to outrun...

Awakening after all this time in a world of absolute darkness and oppressive heat, Dax wonders in how many ways the world above must have changed. But it is how he has changed that fills him with dread and loathing. Buried alive for hundreds of years in a volcano in South America, Dax fears that he has become the full-fledged abomination that every Carpathian male fears, a victim of the insidious evil that has crept relentlessly into his mind and body over the centuries.

But there are some things that never change. His name is Mitro, the vampire Dax had hunted all these long centuries. Once at the side of the prince of the Carpathian people he is the epitome of everything malevolent, and perpetrator of one of the most shocking killing sprees known to man -- and beast. Even his friends and family weren't safe from Mitro's bloodlust. Neither was Mitro's lifemate, Arabejila, an extraordinary woman with extraordinary gifts.

But now that Dax has re-emerged, so too has Mitro. The ultimate battle between good and evil has been re-engaged. Between Dax and Mitro, a violent game has begun -- one that has marked Riley Parker, the last descendent of Arabejila, as the reward.

ABOUT DARK LYCAN

"The erotic, gripping series that has defined an entire genre" (J. R. Ward) continues as #1 New York Times bestselling author Christine Feehan links the fates of two strangers bound by a secret in the shadows of the Carpathian Mountains...

Tatijana of the Dragonseekers spent centuries encased in ice with her sister, trapped in limbo between life and death, never speaking to a soul other than those who tormented her. Now, she has been freed from her frozen prison by an unknown descendent. Awakened in human form, Tatijana yearns to explore the modern world in which she now lives -- a world with more mysteries than she is prepared for.

Fenris Dalka has returned to the Carpathian Mountains after a long absence to be with his brother. He is scarred by centuries of battle, and every hard-won victory. But the real reason for his return home could prove deadly if discovered by the wrong man -- or woman. Upon his arrival, he is compelled by a beautiful and enigmatic stranger who carries the scent of fresh earth, of forest, of the night itself.

In time Tatijana and Fenris will discover all that unites them -- their secrets and pasts, their predators, and the hot flush of passion that stirs their souls.
